

The Johnnie K Band - Keep On Pushin (S/R - 2005)

The Johnnie K and the band are one hell of a talent who hail from Paradise - Otherwise known as Florida!! It's good old rock that features plenty of Keyboards (Todd Gilleland) and a really emotional Vocalist in Rodger Malloy, who doubles up on Bass Guitar as well.

Highlights include the opener 'Come on Everybody' that has the vocoder put to full usage a la Peter Frampton; and a pile of Kickin' instrumentals like 'Kickin' funnily enough; the paced 'Stand Alone' with some mountainous drumming from Joe Lopez; 'Mahogany Man' - dedicated to Frank Marino no doubt and a nice bit of guitar playing there Johnnie old boy!! Rounding it all off is the stomping powerful 'Burning Desire' which sees all the band sparking up the electricity.

Like it a lot.
